

**Nominees for CHHA National Board of Directors
June 2025**

Gina Kennedy – 3 yr Term

Gina Kennedy is an experienced governance professional and dedicated advocate for accessibility and community engagement. As University Secretary and Director in the Office of the President at NOSM University, she has been instrumental in enhancing governance structures and received the Innovation Award for her contributions. A long-standing member of the Canadian University Board Association, Gina has also served on various boards, including the Brain Injury Association of Sudbury and District, the Accessibility Advisory Panel for the City of Greater Sudbury, and the Association of College and University Policy Administrators. She was appointed to the Emergency Measures Technical Committee for Accessibility Standards Canada, contributing to national discussions on accessibility in digital technologies. Recognized for her volunteer leadership with United Way, Gina is passionate about fostering inclusive communities. A Distinguished Toastmaster, she believes that "knowledge is only valuable if you share it." Gina is eager to support and advocate for individuals with hearing loss, ensuring accessibility and inclusion remain at the forefront of policy and community initiatives.
